Great start to a new season!

On a beautiful Sunday this past weekend about 400 denizens of NAKID took over My Brother's Place to Kickoff the NAKID season. For those of you who missed it, we feel bad (but say thanks for the extra free beers) - make sure you don't miss another party!! The party started at 2 and by 3 it was pretty much standing room only throughout the entire bar.

A few teams came out in force and showing their spirit, especially the Banana Hammocks (who could miss the yellow balloons and leis?). As always and despite the crowd, several games of flip cup were spotted all over the place, The Ramrods liked playing with themselves quite a bit and smack ass was in full force upstairs.

At 4pm our first FREE raffle was drawn and even though it took three pulls, we found a **winner from Naughty Little Monkeys for the Nintendo Wii**. After the police escort helped the winner to his car, it was about time for drawing number two. **Nate of Kickball Causes Global Warming** walked away with a brand new 30GB video Ipod!

About this time the free beer finally ran out, but the party was still going strong. Dancing on the bar followed another hour of drinking and several pre-season hookups were seen in the nooks and crannies of My Brother's Place. Tina, one of the owners, got into the dancing act as well, and the place was pretty much cleared out at 8 - after six hours of partying.

A great start to a great season!

For all of you who haven't played since you were picked last in gym class and for those of you who have been playing since but have forgotten the true meaning of kickball (BEER) or softball elsewhere, we at the Weekly Brew have decided to do a preemptive strike and answer most of the questions that have been burning in your brain about NAKID. Hopefully our answers will help you to be a player - or at least not look totally lost on Week One:

How long are the games?

Kickball games are 7 innings, Softball games are 5 innings. However, there is a one hour time limit, so make sure you strike out quickly!

What if can't make it to a game?

Let your Captain know. All teams must field five men and five women every week. If you don't have your captain's number, send smoke signals.

Payphones still exist. There's no excuse for not letting your captain know you're going to miss a game.

I have my cooler packed with beers, where do we set up?

At home. We play on National Parks and Rec area, so no alcohol. This means that if you are caught with it, you will get a ticket or jailed. Everyone will claim to not know who you are, then we will follow you to jail and bail you out with pennies.

I am short one guy and hottie is walking by. Can we snag him for the game?

NO. You will have to start out the game down a run and take an out whenever that person would come up. Yell at your captain and drunk dial the no show all night -- that'll teach him.

Ok, the games over and I need beer, where do I go?

My Brother's Place at 237 Second St. NW. Cheap beer, two floors, and an outside patio. On Sundays they are opening just for us! Just make sure you are wearing your NAKID shirt so you can get the specials. Off the Red line at Judiciary Square or the ones with more stamina can walk (about 12 blocks). The orange, blue, and yellow lines are all just a few steps away.

I want to go to the bar, why do I have to umpire a game?

The teams(s) that are not playing in a certain week are not off - you are our officials. We need each team to have at least 6 refs out who know the rules! Send out clueless umpires, and you will get the same. For doing this, you get 5 pitchers of free beer! Hmm, 8 people, 5 pitchers - that's a good start on winning LOTW.

NAKID 101: What You Didn't Learn in 4th Grade

Where do we play?

We play on the Mall by the Washington Monument. For those of you unfamiliar with the Monument, it is the big phallic thing sticking straight up in the sky. Don't worry, there's a map here. The closest metro stops are Farragut West, Smithsonian, and Federal Triangle.

It's 9 a.m. Sunday and raining. Are we still gonna play?

As a general rule, yes. If not an email will be sent to the league letting you know games are off 1-2 hours before game time. When

games are called off, there is free beer at the bar, so come out and play flip cup!

We're just kickin' and drinkin' in the rain ...

It's been a few weeks and I don't mesh with my team; they are not big drinkers and I carry a flask with me to AA. What can I do?

Talk to your captain about trading you to another team. Trades are allowed as long as shirts are swapped and everyone is okay with the moves.

How do I contact my Captain?

If you log in in to the website (top of the homepage) you will see contact info for your Captain as well as everyone else on your team. Happy stalking!

FYI, practices are what we call happy hours.

Are there practices?

Well, it varies by team, but generally no. Some teams throw the ball around and kick a little right before their games, but no one organizes a different time to do it. All teams have their own ball though, so maybe they will. Fields are usually setup an hour before game time, so you can practice then.

I played in other leagues and people didn't really socialize outside of their team, but I want to, help.

Luckily, you joined NAKID. We encourage mixing with everyone, this is why people JOIN NAKID in the first place. Don't worry, except when at the flip cup tables, people will be more than happy to chat you up - and maybe take you home.

I have suggestions to make NAKID better, whom do I contact?

Just send your brilliant plans to nakid2006@gmail.com.

Questions? Comments?

Send them to nakid2006@gmail.com. Or get yourself on the message board to discuss. Don't rely on just the

Brew, occasional email announcements or your captain to keep you informed. Visit <http://play-nakid.proboards81.com> to

chat about the upcoming events, ask questions or just talk about anything. Sign up for an account and chat away.

How to not suck at NAKID flip cup

The Magic 8 Ball will reserve judgment for who is best at flip cup in each chapter until after Week One. But she does want you to know that there are some rules to NAKID flip cup.

Some of you were seen playing waaaay too many people on a table. The result was, in your drunken stupor, an inability to match up and even get games going and this displeases her. So, here's what you need to know:

- Max of 6 players per team
- Matchup once per game, then go!
- Cheers, hit table with cup, chug
- NO BACKBOARDS
- Ties are settled by a flip off by the anchors of that round
- Games are best of 7, you lose you vacate

Smack ass, survivor, and all other variations get played after regular games are over. PS Smack Ass is a variation where the losing team gets their asses smacked by the winners (this is usually girls v boys). Please be advised to smack to the tolerance level of your opponent, not harder than that.

Why we love our sponsor bar

The NAKID sponsor bar is **My Brother's Place**, a venue we've visited many, many times in the past and that has treated us well.

On Sundays they are opening for ONLY US! And on Tuesdays and Thursdays, plenty of room for all the post-work debauchery you want to commit.

There isn't a flip cup room at MPB. Instead, it's flip everywhere, anywhere. We have two floor, an outside area, and a back room off the main first floor bar. Lots of hidden nooks. Two bars. Bathrooms that aren't broken. TVs with satellite all over the place, karaoke, bring your iPod, and satellite radio.

MBP is at 237 Second St. NW, just a dozen blocks from our playing fields, near 2nd and Constitution. It's closest to the red line metro stops of Judiciary Square and Union Station

The NAKID only specials are

Drinks

\$8 Coors Light pitchers

\$2 Coors Light pints

\$4 Captain Morgan and Cuervo margaritas

Food

20 percent off the entire menu

The catch

Of course there's a catch. You can get these special prices ONLY IF YOU ARE WEARING YOUR NAKID SHIRT. The good news though is that no matter what day you play, just show up Tuesday, Thursday or Sunday in your shirt and you can drink for cheap. MPB has a full menu of entrees that is available.
