

THE WEEKLY BREW

The Official Newsletter of NAKID • September 10, 2007

Well, well... it seems that with the passing of Labor Day, Tuesday is looking to reclaim it's Party Chapter title. We were glad to see the bar be a happening place again (thanks in large part to the Third Base on the First Date girls). And promises of more and better antics were made by a few teams. About time!

want to miss the recap and the pictures. Next week is the Wine Festival (we still have a few spots that just opened up) and then for the next six Saturdays we have filled your social calendar. Make sure you attend at least one of these or you'll be sad! Finally, if any of you know of a good venue for indoor kickball, please let us know. We are searching for one as many of you are dying for another season of crazy wall-bouncing, holding-hands-while on-base fun.

As we enter the halfway point of the season, the NAKID events are gearing up and in full swing. Inside, if you missed the Booze Cruise you won't

Nancy, Third Base on the First Date—She was drunk when she got to the bar! She proceeded to still find a way to rally thr troops for some flip cup and then to get on the bar, After demanding better music because she had heard girls ready she climbed up there and pretty much shook it all night long. The next morning she swore off drinking but we are sure that was just day after talk; after all she can't win LOTW and then stop drinking!

Congratulations **Nancy** and **New Girl!**

This season they get not only the coveted NAKID Lush patch to proudly display on their shirt (or anywhere else they want), but they also win **2 passes on the Boomerang Bus!** So suck up to them, be their friends, buy them drinks (clearly, they really like drinks!) and maybe you'll get to go with them.

Or you can just push your own tolerance and win your own Boomerang Bus passes. Check out the Boomerang and its trips at www.ridetheboomerang.com.

New Girl, Third Base on the First Date—No men were worthy and we didn't get the new girl's name but she certainly made a splash in her first week. She was the first one to take her shirt off this week and she was dancing both on and off the bar. Wanna get low? She's your chick. We're glad to see that newbies are able to fit in so well. What a great thing to write home to mom: "Yeah, first week at kickball and I won LOTW!" She'll be so proud, as are we!

NAKID Urban Dictionary

Weekend Lag

A condition affecting the body's circadian clock, similar to jet lag, but instead stemming from altering one's sleep hours due to a night of hard partying and drinking at MBP and Hamilton's after games rather than from a long flight.

After a long night at MBP on Sunday, Janine is going to suffer from some serious Weekend Lag!

TUESDAY RECAP: SCHOOL NIGHT

Balls Deepest continued its shutout streak with a 5-0 win over **Pour Me Another Hurricane**. The **Dirty Pirate Hookers** got their first win of the season over the **Medicine Balls**, 6-3. **Dick in a Box** continued their winning streak with a 9-3 victory over the **Normalizers**.

Kickin' Balls and Takin' Names played well in a close game and took down **Drinking You Pretty** by a 5-4 final, and **Donkeystyle** handed

Third Base on the First Date its first loss of the season with a 7-2 pummeling. Just a note on this game and in general—when people are excited and screaming on the sidelines after a kick, that's great, but it also makes it impossible for the kicker and runners to hear a foul call by the umpire. So listen up after your kick.

As stated earlier the bar scene was getting back to its past level of debauchery, and we hope to see it continue.

Happy hour at 51st State on September 14!

Ok, I swear, if this place sucks no more suggestions from NAKIDS—so far the places suggested are 0-2. This one is located near the Foggy Bottom Metro and seems pretty laid back and fun.

Friday specials are limited—\$5 nachos and \$3.50 Carlsberg Pilsner, but they also say:

**NOW 7 DAYS A WEEK 4PM - 7PM!
\$2.50 - \$3.00 BEER & RAIL! SMIRNOFF
MIXED DRINKS @ \$3.50 AND SMIRNOFF
SPECIALTY MARTINIS @ \$5.50!**

So get there early. As always, look for the pharaoh hat, and we hope to have a large turnout. Come on out and maybe later we will head to McFadden's for dancing.

Virginia Wine Festival on the Boomerang

We are heading out to the Virginia Wine Festival with the Boomerang Bus, so come and join us! Those who have gone before know that the VW Festival is great, but driving back limits the amount of tasting one can do - well NAKID has solved that problem with the Boomerang! We have both buses going, which means room for 80 NAKIDs! You will need to purchase a ticket to the Festival here: [VWF](#) so please do so before you RSVP for the bus. FON are welcome for \$25 and we will have some beverages on board to get you started as always. Please make sure NOT to back out within the last week, and all no-shows will be charged \$25 before they are allowed to play in NAKID again.

Event is currently FULL.

September 22

Capitol City Carnival & Beer Festival

The Capitol City Carnival & Beer Festival is a fun experience but like the Vintage Virginia Wine Festival can be a drag when you have to drive home - so we're back on the Boomerang Bus! This trip will be a blast as we travel to the festival in style playing flip cup and drinking beer on the way and then land at the microbrewfest! Please make sure to buy tickets in advance [here](#). As always, FON are welcome for \$25 plus the cost of their ticket. Please do not RSVP unless you know you can make it, all no-shows will be charged for their seat. This will be a great event and fits right in with NAKID's true purpose.

This event is currently FULL.

NAKID Booze Cruise: The Aftermath

Once we got the kinks worked out and the pizzas delivered (long story, don't ask) NAKID set sail for the high seas. Initially it was slow going as the bartenders didn't know how to tap a keg and were checking everyone's IDs (well almost everyone, sorry Josh). But within the first half hour the beers were out and flip cup was underway.

About an hour into the cruise and with the beer flowing nicely the captain asked if we wanted to head toward Alexandria or Georgetown, we chose Georgetown for a special treat. As we closed in on Old Town, fireworks were going off! As much as NAKID would like to take credit for these, it was probably more because of the Old Town Arts Festival, but it was still a great surprise for everyone on board.

After the fireworks the spray bottle shots came out, as did the test tubes. We had banana schnapps, fire water, jungle juice, and buttery nipples and watching everyone either down the test tubes or open their mouths for a spray was awesome. Special shot taking kudos go out to Krissy of the **Hoochie Mamas** and Liz of **Clothing Optional**—they both did about a dozen jungle juice shots and were not hungover the next day at all! Also a thanks to Jacky and Melissa of **Where's Your Beanpot?** for showing us how deft they are at lifting test tubes from someone else's cleavage!

For those who missed out, we feel bad. There's nothing quite like watching NAKIDs clear away a table in under 5 seconds so that flip cup can start, as happened on the lower deck. The true flippers were topside flipping in the wind and making a go of what we are sure was the first games ever played on this boat. It was a sight that warms the cockles of your heart.

As we returned to the dock, having gone through three kegs, a couple of dozen bottles, and just about all the shots, we wanted to tap the last keg but the captain denied us. "We're 10 minutes from docking," he told us. We responded that we thought 97 NAKIDs could finish the keg in that time period but he wouldn't budge. After people unloaded the party continued in Georgetown and though a few people seemed cranky that they had to take the metro back to the Ugly Mug, most seemed to be happy to stay out later.

Overall, it the NAKID Booze Cruise was lots of fun and a great time. This will definitely be something we do again. Thanks to all who came out, and for those of you who missed out, the Wine Festival is this week...

GET NAKID EVERY MONTH

You've heard the rumors and you know you've wanted it—well it's finally going to happen—a NAKID calendar! Now, we know we could just get a bunch of scantily clad NAKIDs to pose for us and all of you would snap them up and put them in your bathrooms, but we want them to be a little better than that. As such we have a few themes we'd like to promote:

We'd like to get every team, kick-ball and bocce, into the calendar.

For teams with really fun names, we'd like you to take a picture of your team in pose or dressed up as your theme, or let us do it.

Anyone willing to get into lingerie, a bathing suit, or less and pose for us would be greatly appreciated.

Bar dancing pictures (at least a few) will certainly be used.

If you have an idea or want to take a picture on your own (or are willing to take some for us) please send an e-mail to nakid2006@gmail.com and let us know. At this point we have no idea how much they will cost but are looking into it. All proceeds will go to the John Leonard Memorial Fund. We hope at least one person from every team will participate. This will be a really fun thing to do for a great cause!

SPORTS (where the real games are found)

Another great week at the tables as most teams seemed to be in full swing flipping and drinking. It's time, though, this week for number 1 versus number 2. And a note to all teams, the number one team is the champ (at least for the week they are on top) which means your team has to go meet them (they are usually at the loooongest table downstairs in My Brother's Place). Being number one has it's advantages and this is one of them. Make it so, Dirty Pirate Hookers. The standings this week:

1. **Drinking You Pretty** - Have yet to lose.
2. **Dirty Pirate Hookers** - On a roll and beating many.
3. **Balls Deepest** - Need the A team back.
4. **Dick in a Box** - Hmm, they need to play more.
5. **Carlton Banks Dance Academy** - Could be ready to make a major move.
6. **Medicine Balls** - We think they have a chance.
7. **Third Base on the First Date** - 13 v 1 and you lose.
8. **Donkeystyle** - Need to see more action.
9. **Pour Me Another Hurricane** - Come on and step up!
10. **The Transplants** - Not too good.
10. (tie) **Normalizers** - Left too early.
12. **Kickin' Balls and Takin' Names** - Not even at the bar. BOOOO!
